All – Here is the current version of Section 3 for your review. There are a few outstanding issues noted by my comments, but I felt it was complete enough for your review. Please note that the table and figure numbers have not been updated and the old ones are still there, which will help you with your review. A few new ones are being developed. Please provide me with comments by 4:00 PM PST on Monday 3/28.

Thanks,

Kristine Koch
